

Dubuque County Fair

4 Cylinder Front Wheel Drive Stock Wire Class Demo Rules

NEW RULE FOR 2018: A door protector plate on driver's side door is optional, ¼ x 4 flat stock, 4" past each door seam bolted securely. **NO OTHER DOOR BARS ALLOWED**

MUST HAVE LONGSLEEVE SHIRT AND GLOVES

Tanks and Batteries MUST be mounted according to rules and boxes MUST be insulated for protection.

All entries must be registered by 11:00AM! No exceptions.

Driver Entry: Entries are open to men and women. In interest of safety and in fairness to all competitors, the following rules and regulations will be enforced.

1. Previous demolition derby cars are allowed.
2. Driver must be 18 years of age or have a notarized permit from parent or guardian. In the event of any doubt, you must have a document stating proof of your age.
3. Driver must furnish his/her own car.
4. Driver may enter each class but will have to pay entry fee for each class and must have different car for each class.

5. Driver must sign in and pay entry fee prior to inspection or entry to track. Entry fee is \$10 per car and \$25 pit pass.
6. No one is to enter pit without pit pass. No one under 14 is allowed in pits. 14 years to 17 must have notarized minor release.
7. Truck, trailer, car must not enter track until car has passed inspection.
8. Absolutely no one is to enter track to save spots until car has passed inspection. First come, first get their spots in the pits. No exceptions.

Safety:

1. All drivers must attend meeting in pit area prior to derby time.
2. Long sleeve shirts with no holes, full length pants with no holes, full shield helmet, gloves, and tennis shoes or boots must be worn during competition.
3. Operating seat belt mandatory. Must remain belted and wear a helmet at all times, until ok'd by officials or you will be disqualified.
4. Drivers must remain in his/her car until Ok'd by official to get out.
5. No driver or pit crew member, under the influence of liquor will be allowed to participate or enter the exhibition area.
6. No pit crew member allowed on track at any time.

7. Disconnection of all air bags is mandatory.

Participation Regulations:

1. No driver door hits. This will be strongly enforced.
2. Driver must maneuver forward or backward.
3. If driver does not hit another car within 1 minute, said driver shall be disqualified.

Preparation of Car:

1. Slogan, Advertising, or printing may be placed any place on car except: front doors and above driver door. Number must be placed on front doors and name must be placed above driver's door.
2. Signs with number must be at least 24x24 mounted securely to roof, made of metal or plywood. NO LETTERS-only numbers. First come, first get on numbers.
3. All glass, body molding, and stock gas tank must be removed.
4. Approved boat gas tank no larger than 6 gallons must be mounted in back seat in a solid wooden or steel container properly insulated and covered with removable lid. If box is made of wood: Must be made of 2x6 or 2x12 lumber not plywood. Container must be anchored to floor with one steel strap over top to the floor with bolts.

5. Electric fuel pumps are allowed. Must be securely mounted. No ether or starting fluid allowed. All fuel lines must be hooked up properly and safely ran thru the fire wall.
6. Batteries must be removed from original location. Batteries must be mounted to passage side floor. No more than 2 automobile batteries allowed. They must be encased in either 2x6 or 2x12 wooden or steel box. Must be anchored with bolts thru floor firmly. Well insulated with cover. Steel boxes must have inside insulation so batteries do not short out.
7. Absolutely NO WELDING except front and rear safety bars inside car.
8. 2 bars allowed inside car, no bigger than 2" in diameter. One allowed above dash from window post to window post. One allowed behind driver seat from door post to door post. No other supports allowed. These bars are ok to weld.
9. Bumper: Front bumper may be changed to an OEM 80's or newer front bumper. IF bumper is replaced with OEM 80's or newer, the length cannot exceed 4" past frame rail on either side. Rear bumper must stay factory. If OEM bumper is fiberglass, it can be replaced with OEM similar bumper equivalent in size.
10. NO welding or bolting of bumper shocks. No iron behind bumper shocks. Shocks must move freely upon impact.
11. Tires: Any factory DOT tire approved for the size of your car. Tires can be doubled up, but no disfiguring of tire, no studs, or

other alterations. Greasing of side walls is allowed. No Skid Loader tires.

12. One 12" hole in hood. One 10" hole in trunk is mandatory.
13. No added reinforcements to any part of the car are allowed.
14. Wiring: 9 gage wire only. Hood may have 6 wire tie downs, 2 of those allowed to front bumper. Trunk may have 4 wire tie downs plus 2 tie downs from rear of roof to trunk or bumper. Doors may have no more than 5 wire downs per door. Chains are allowed on doors. No outside door bars allowed.
15. No adding to factory structure unless otherwise stated in rules (front bumper only). This is a stock class.

Decisions of officials are final. No arguing will be tolerated or you will be disqualified.

All officials and judges are volunteer, good sportsmanship is mandatory.

Officials cannot watch everyone they do the best they can. Please respect their calls.

ALL DEMO CARS MUST BE REOMVED 1 HOUR AFTER DERBY IS FINISHED NO EXCEPTIONS!!!
