

Dubuque County Fairgrounds & Event Center Statement on COVID-19

The Dubuque County Fair Association is closely monitoring the latest developments regarding the COVID-19 Coronavirus through information that is provided by the CDC, The Dubuque County Health Department and the Iowa Department of Public Health. Our top priority is always the safety of our guests, employees and their families.

At this point, all of our current events are still scheduled. If one of our promoters decides to cancel or reschedule an event, we will let the public know as soon as possible. Please check our website at www.dbqfair.com, follow us on Facebook or call the Fairgrounds office at 563-588-1406.

Our staff are, as always, following best practices during our cleanups, before and after all events. During events the staff will continue to clean the areas most used throughout the event.

We have also informed our staff who are not feeling well or having any flu-like symptoms to report it to management immediately and not to come to work. All our staff that is handling any plates and all food items are always required to wear gloves.

We have also added hand sanitizers throughout our facilities.

We'd like to remind our guests, to follow the 3 **Cs** guidelines from the Iowa Department of Public Health. **Cover** your Cough, **Clean** your hands with soap and water or hand sanitizer and **Contain** germs - please stay at home if you are feeling sick.

We will keep you informed of any changes in our schedule.

Please take care of your family, be safe and be well.

Kevin Kotz
General Manager
Dubuque County Fair & Event Center
