

June 2020

Greetings everyone!

This year the Dairy Committee will consist of Amanda Gaul, Ann Schuster, Alex Waller, Alison Kruse and Matt Oberhoffer. Please feel free to contact a committee member for any questions regarding the show. The Fair Office will also be happy to reach out to them or provide you with information or answer questions.

With the 2020 Open Class Dairy Show on the horizon, we do have some reminders. Please read over ALL of the paperwork to see all of the appropriate changes. Please note the reminders in bold!

The 4-H/Livestock Parking Lot agreement was made to have NO PARKING on the top row along the Dairy Barn as well as by any of the livestock barns. Also please park responsibly and stay in the allotted grass parking areas and do not park on the blacktop walkway.

We are also trying to keep the barn areas and Livestock Parking Lot free of HUGE displays of food. Also please keep in mind to not use the milk house to plug in crock pots. We understand having a cooler with beverages and snacks is ok as long as is discrete.

NOTE: Open Class Dairy will ARRIVE on Friday, July 31st any time after 1:00 pm and the SHOW will be on Saturday, August 1st Starting at 9 AM!!!! There will be NO Stall placement changes – unless they are approved by at least 2 committee members. Otherwise stall assignments are FINAL!

This year we will have a Senior Yearling in Milk class in all breeds.

All animals will be released after the completion of Supreme Champion.

We also wanted to remind you know that **ALL PREMIUM CHECKS** will be mailed out after the fair.

Please turn in your farm/family entry forms to the Dubuque County Fair Association Attn: Amanda Gaul by Friday, July 24th, 2020, this will ensure that we have plenty of time to get everything ready for the show. A quick reminder, that all programs for the Open Dairy Show will be printed up Friday Morning, if there are any changes please get a hold of me Thursday, July 30th 2020, so the changes can be made in the show program. Once the programs are printed, they are FINAL!

We are looking forward to seeing all of you in the barns this year. Here's to a Successful 2020 Dubuque County Fair. Thanks for helping make it a great success by participating in the Open Class Dairy Show!

If you have any questions or concerns with any changes or if you have suggestions for future shows please send them our way, we are happy to listen and see what we can do to get those accomplished.

Thank you again for all of your continued support!
